COOKIE POLICY

A cookie is a small file of letters and numbers that we store on your browser and, with your agreement, the hard drive of your computer. Cookies contain information that is transferred to your computer's hard drive.

We use strictly necessary cookies (such as ASP.NET_SessionId and .ASPXAUTH). These cookies are required for the operation of our website.

Third party cookies

Please note that we use Google Analytics/Tag Manager and Google ReCaptcha. Both of these Google services may set cookies and we have no control over these. You should contact Google directly for further information about these if required.

Blocking cookies

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies you may not be able to access all or parts of our website.
